

Now's the time: Sign up for an electronic W-2

Over 22,000 employees at UCLA and UCLA Med Center are currently signed up to receive paper W-2s this year. The benefits of an electronic version far outweigh the paper version: it's safer, quicker, and better for the environment.

Before January 15, 2021, take a moment to sign in to UCPATH online and enroll for electronic delivery of your W-2. You'll thank yourself when you're ready to file your 2020 taxes! Online access is safe and convenient—your W-2 can't get lost, stolen, or misplaced.

Sign up for an electronic W-2 in two easy steps:

1. Log on to UCPATH:
 - <https://ucpath.universityofcalifornia.edu/>
2. Use the left navigation to enroll:
 - Employee Actions > Income and Taxes > Enroll to Receive Online W-2
